

OUR MISSION High-Quality, Personalized Care Accessible to All. OUR VISION To Be Your First Choice.

CELEBRATING PERIOPERATIVE NURSES WEEK

If you or someone you love has had a surgical procedure, a perioperative registered nurse was responsible for you or your loved one's well-being throughout the operation. Perioperative registered nurses provide specialized nursing care to surgical patients before, during, and after surgery. They are why surgery care is so reputable and popular in Perry and why the list of types of surgeries we provide is constantly growing.

A HUGE thanks to this AMAZING team!

We were proud to support one of the Perry Habitat for Humanity builds by providing volunteer hours.

ORTHOPEDIC SERVICES GROWING AT DCH

DCH is doing so much to foster expanded orthopedic care close to home for patients through:

- Adding new orthopedic physicians and nurses to our team
- Facilitating customer service training across the organization to enhance the care delivery experience we provide every patient
- Creating increased space in our surgery area to accommodate new procedures

Such an exciting time to be a patient or team member of DCH!

THE DCH CAMPUS
IS LOOKING A LITTLE
DIFFERENT RIGHT NOW!

We have multiple interesting projects occurring at DCH currently to continue to provide the best infrastructure to facilitate the best care possible. Here is a list of the projects and completion timelines. We cannot wait to see all the finished products.
